

# STAIRCLIMBER HAND TROLLEYS

Richmond's Stair Climber Trolleys are carefully designed to safely maneuver heavy items such as refrigerators, cabinets and more up and down stairs and steps.

Providing a secure and reliable moving dolly solution for the moving professional or for home use, our Stair Climber Trolley makes the act of step climbing with heavy loads a breeze.

Boasting 150mm polyurethane dolly wheels, loading strips, sturdy welds, a reinforced axle and an optional ratchet for extra peace of mind, stair climbing trolleys have never been better.
