

# HEAVY DUTY PIANO DOLLIES

**UP TO  
600KG**

Versatile and extremely durable, Richmond's Piano Dollies are purpose built for the movement of heavy, bulky and awkward loads.

With a high safe working load this dolly can move objects like pianos and cabinets with ease. A rigid steel frame, protective cushioning to secure loads, and a choice of pneumatic, puncture proof, or rebound rubber wheels allow this incredibly versatile dolly to perform in the toughest of conditions.
