

P HANDLE TROLLEYS

If you're a professional requiring a hand trolley built for performance, why risk your business or precious time on a super cheap, unreliable trolley?

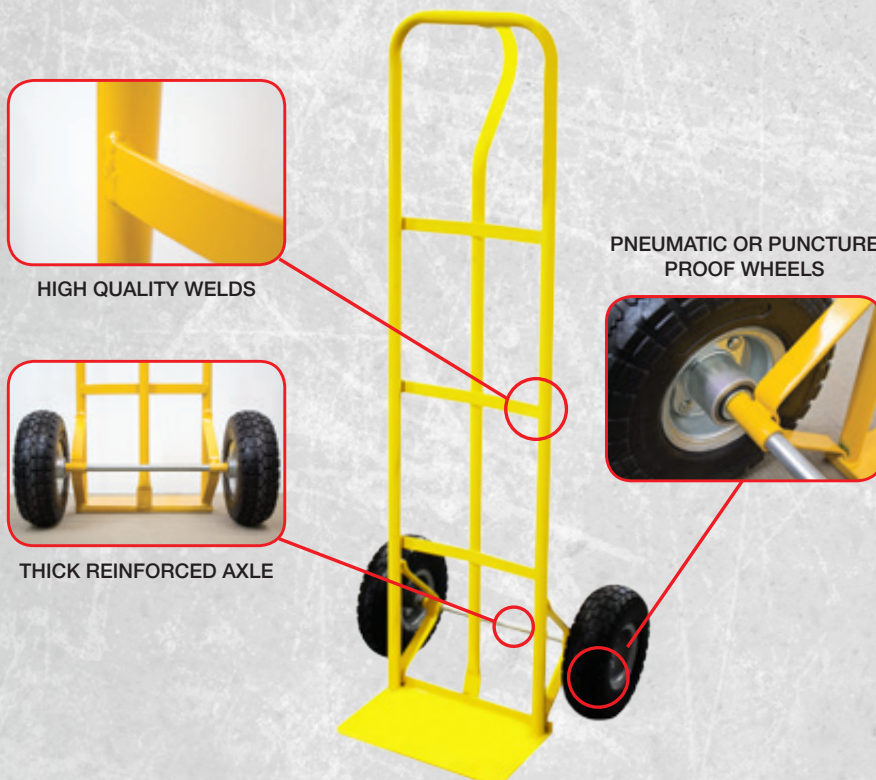

Richmond's P Handle trolley range offers a reliable alternative, without breaking the bank. Built to survive even the most rigorous of everyday use, these trolleys are ideal for couriers, removalists, deliveries, and any industry that is looking for an affordable trolley – without compromising on performance or toughness.

P HANDLE TROLLEYS
