

Stack & Nest Tub Dollie

Designed to transport Richmond's 32L, 52L, and 68L Stack & Nest Crates, this dollie is the perfect solution for all your storage and food transport needs.

Ideal for reducing back injury and handling foods across a whole range of industries, including butchers, fishing, food service, chicken & poultry, and lots more!

Each model comes with 2x swivel & 2x brake castors for added safety.

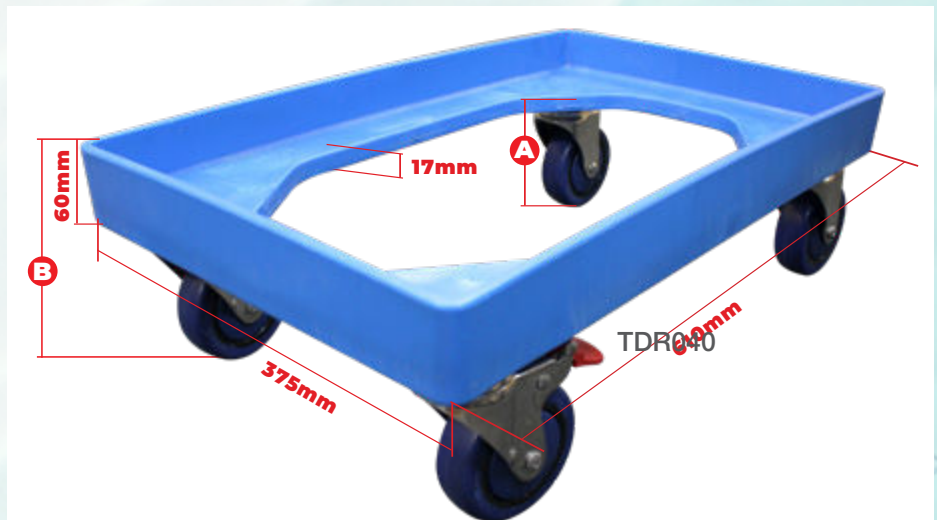

Easy to clean design. Suitable for washdown applications.

Benefits of Richmond's Premium Rebound Rubber Wheels:

- ▶ Quiet running compared to traditional nylon wheels.
- ▶ Shock absorbing for a smoother ride.
- ▶ Effortless rolling and maneuvering.
- ▶ Splash guards are included to protect the in-built, stainless steel bearing.
- ▶ Eliminate wheel flat spotting or rapid wearing when used on non-slip flooring surfaces.
- ▶ Huge range of castor options available. Includes stainless steel castors.

A Deck Height:

Measured from the bottom of the castor to base of top of the deck. This measurement shows how high the plastic tubs, crates, etc. will sit from the ground.

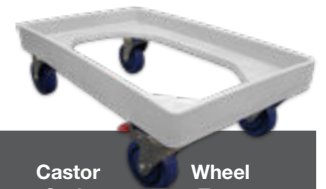

B Overall Height:

Measured from the bottom of the castor to the highest point on the dollie. This measurement represents the overall height of the dollie including castors.
