for examples and additional information
on the hot stamping process

for reference "INSERT WORDS HERE" is 17 characters including spaces.

Please note that there is a limited number of each letter/number available. Our team will be
in touch if there are any issues with the number of characters available for your request.

Option 02: Custom made plate/logo/pattern

Please tick the checkbox if selecting this option

- Premium option
- Show off your logo/brand
- Custom manufactured plate

There are no limitations with the
custom plate apart from keeping in mind
very fine, intricate details will not come up
as clear on the hot stamp press.

A custom plate + standard letters can be used. If you would like to choose this option fill out
the form fields for both options and our team will be in touch to discuss your requirements.
